PEACE

With a mission to achieve well planned and systematically coordinated development of Teacher Education at the graduate and post graduate levels in line with the changing perspectives of the new academic environment and to enable batches of Teacher Trainees to face challenges addressed by the present education system the Peace College of Education was established in 2007 at the Vittalnaickenpatty Campus on the Dindigul - Veda sandur national highway Road 15 Kilometers from Dindigul.

The Peace College of Education has got the relevant recognition from the National Council for Teacher Education's Southern Regional Committee, Bangalore and affiliated with Tamilnadu Teacher Education University, Chennai.

It is well known that the status of the Teacher truly reflects the status of the Nation, its cultural and social ethos and the levels of its ability, openness, commitment and achievements

Hence our endeavor is to regularly prepare well-qualified teachers with professional competencies of high order earnest responsibility and a commitment to strive continuously to raise the learning and teaching capacity of the students to appreciable levels.

Peace College of Education has envisaged a vision to look beyond the present times to provide the best available teaching practices in Asia to make the students innovative

to face the present Global needs and the future challenges.

It has a mission to workout innovative teaching methods to provide literacy to large section of people in our country. The present percentage of illiteracy in Tamilnadu is 25% and 36% for the whole of India it will provide quality teaching methods for the students up to the +2 level in coming years.

It has a lofty aim to provide quality school education. To the poor exploited down hidden and marginalized Children, especially industrious and best among them, and to modify the methods of teacher.
